changing ministry organizations from**

Why the change?

The Lord has made it clear to us that we should leave FamilyLife to join a different ministry.

Our family has been missionaries with FamilyLife since 2006 because we want to have a GREAT marriage and want that for others too!

As you would expect, this decision to leave was not considered lightly, nor was it an easy decision to make. FamilyLife has been a special place to us with meaningful relationships and fruitful ministry. The Lord has taught us, stretched us, and grown us during our years here, and we are so grateful! To see how God has used and still is using FamilyLife to change people's hearts and lives is truly humbling.

Still Called to help Marriages & Families.

Our desire to help marriages & families has NOT changed. If anything, our passion over these past 14 years as missionaries has grown. We have accepted a position as missionaries with Global Service Network (GSN) beginning October 1, 2020. They take care of the administration aspect of the ministry, allowing the missionary to focus on the unique calling God has for them.

God has called us to share the gospel and grow disciples through the platform of marriage and family. We will remain living here in Arkansas. Our new work includes a three fold plan.

ENCOURAGE – We will work to reach people, locally & remotely, with the hope of Jesus. We will mentor couples & individuals, minister to moms, encourage pastors & churches, and continue our impact through Business Network International (BNI).

EQUIP – Train individuals & church groups in mentoring. Provide resources to help strengthen their marriage.

ECHO HOPE – Send out the individuals trained & strengthened to minister to others.

We are looking forward to this new season and ask you to join us in prayer for God's guidance. Please pray we will reflect Him well and experience deeper trust in Him during this new season.

Our financial partners will receive a second email on how to transfer your giving.

We would love an update on how you are doing and have an opportunity to pray for you.
