

Dear Friends,

We trust you all had a wonderful Thanksgiving holiday with family and friends. Now we imagine that everybody is getting ready for the Christmas Season when we celebrate the Birth of our Lord and Savior Jesus Christ!

We thank you for your continued faithfulness to us in prayer and financial support over the many years and you will be hearing from us soon about our transition to moving and to ministry back in the United States.

May our Lord bless you abundantly!

In HIS grip,
Bill & Priscilla

Bill and Priscilla Stothers - Dominican Republic

PRAY: That God would use the Covid-19 crisis to turn the hearts of many unsaved Dominicans to Christ, to receive His salvation and the strength to face the challenges of living during this great health and economic upheaval.

PRAY: That the Dominican body of believers, despite their own great needs, would continue to faithfully reach out with the Message of hope and salvation to the many who are anxious and hopeless about their future and looking for answers.

PRAY: For the Centro Campamento Cristiano, in La Vega. This is WT-DR's conference center that has blessed so many national and international people and churches over the many years. Due to the pandemic and the strict government guidelines, since March and into the foreseeable future, all groups have had to cancel. Despite drastic measures to cut costs, with no income and bills still needing to be paid, the Center is in grave danger of permanent closure and the faithful employees left without work.

PRAISE: That we have returned to the United States and have begun to settle a bit back in Florida starting to visit supporters and preparing for the next chapter of our lives as the Lord leads continuing to volunteer with Baseball Chapel. We have enjoyed being with our children and grandchildren for special events that we haven't be able to participate in over 25 years. We are enjoying this stage of life grandparenting and having fun times with our family.

PRAISE: That over the last 3 years Bill has had the opportunity to disciple and train a godly man to take his place to lead the future ministry of Baseball Chapel as Dominican Coordinator. Miguel Candelario Alou is from a well-known baseball

family, with years of experience in the baseball world. He is a respected pastor and has volunteered with BB Chapel for 9 years. Bill is confident that Miguel has been uniquely gifted and equipped by Lord to lead the chapel ministry in the Dominican Republic to new heights. Chapel will be able to minister in the winter league season this year

with certain protocols in place from November 15 to January 15. We are now able to minister in a few of the 30 major league academies for the instructional league this year via zoom and short

audio and video messages prepared by our chaplains.

PRAISE: For the birth of Anastasia born to Chris and Julia Christodoulou on August 6th in West Palm Beach, FL. And, for the birth of Grace to Mark and Katy Wiles in Bradenton, FL on September 7th.

Everybody is doing fine and we are enjoying getting to know these 2 sweet little babies and we watch them grow. **PRAY:** For our son Greg and wife Kelly who are also expecting a little girl on December 18th in West Palm Beach, FL. We have been blessed beyond our wildest dreams this year and are excited to be grandparents again and back with our family.

Bill
