### SUMMERTIME MINISTRY

Usually summer is when in-person ministry slows down a bit and we at Campus One80 focus more on support raising and training. Not during a pandemic, however!

Summer (and late spring) means a chance to meet outside and connect

safely with our students, which has led to an influx of events. As an extrovert, these have been very life-giving to me. I've enjoyed seeing my students and staff and just talking through life with them.

### REMEDY 2021

Remedy is a go this year! Our 5-day leadership retreat will take place August 15-19 in Rome, NY. Typically, we do this right after school lets out in May, but covid restrictions have caused us to push it out a few months. We are so excited! Our numbers will likely be much smaller than normal, but everyone can't wait to spend some time with each other. We will be keeping two people to a room and will have some safety protocols in place for an indoor portion of the retreat as we are well aware covid is still a risk, and our goal is to keep our students and staff as safe as possible. We are also reaching out to local churches to invite any college-aged young adults to attend, as well as any high school seniors. If you know of any who are interested in an amazing leadership training and faith building

Some of what we have done consists of the following:

- Started up our summer Bible study in a staff's backyard.
- Went mini-golfing and go-carting (I won mini-golfing with my group. Take that, guys).
- Grabbed some Chik-Fil-A and had a picnic in the mall parking lot.
- Went to a local gymnastics gym owned by the family of one of our staffers.
- Held a worship night.
- Had an end of the year picnic at a local park.
- Met up with staff for coffee and ice cream.

retreat, please let me know! We have created an elective

specifically for them that addresses how to keep your faith in college as this age is a common time that

people step away from Jesus. We want them to make their faith their own and discover who Jesus truly is.
