MINISTRY UPDATE

"Discover Weekend"

Meetings in person- Praise God! We had a Discover Weekend the end of May with 12 participants pursuing an interest in global ministry. They wanted to know more about WorldVenture. *Please pray that they will follow the Lord's leading where He wants them to go.*

Then in June we interviewed and approved 10 new people who joined WorldVenture to serve the Lord around the world- YAY! Now they go through training and partner

development until they are ready to depart. ***Please pray for their preparation and that the Lord will raise up a partnership team.***

There are an additional 16 people that are completing their final steps of training this month and will be departing soon. PRAISE GOD! ***Please pray for them as they say their goodbyes here and begin ministry in a new land and culture.***

We are so glad that we have begun to reconnect in person with our own partnering churches and individuals sharing about Kingdom Multiplying! Michael has preached and we have shared in 3 churches in the past 3 weeks. ***Please pray that we would be able to connect well with all our partners and that God would be pleased to use us to bring about greater engagement with His heart for the nations.***

FALL PLANS

We have been invited to be part of the fall missions conferences at Moody Bible Institute (Chicago), Cedarville University (Ohio), Cairn University (Philadelphia), and Gordon Conwell Seminary (Massachusetts) and to present in some of the classes. ***Please pray for the travel details and that our presentations would represent Christ and WorldVenture well.***

"The passion of WorldVenture"

FAMILY FUN

We just pulled off an amazing surprise party for our son Michael's 40 birthday, thanks to his wife Stephanie's planning and stealth! He was so delighted and moved to tears to have all his siblings and parents make the trip to St. Charles, MO for the weekend. ***We thank and praise the Lord for the gift of Michael's life!***

Thank you so much for your partnership with us as intercessors! ***Please pray for our Lord's continued financial provision.***

With much gratitude,

Michael and Debbie
