

New York **Families**

NEW YORKER'S FAMILY RESEARCH FOUNDATION

Dear Lyell,

I have some exciting news to share!

For decades, our ministry has hosted a legislative prayer breakfast and Bible study in the New York State Capitol each week of the legislative session. (The legislative session runs January through June each year.) During the pandemic, the weekly Bible study could not meet in person, but met via video conference instead.

This year, legislators requested that our ministry continue these Bible studies during the off-session months. Now, and for the first time, our legislative Bible Study will be operating not just during the first half of the year, but during the second half as well. This means that we will be sharing God's Word TWICE as much with legislators. Additionally, attendance at these weekly studies is increasing. Democrats and Republicans are coming together around the Gospel.

MAKE A TAX-DEDUCTIBLE DONATION

In the first half of this year, our organization is still \$50,000 behind pre-pandemic levels. We've got some ground to make up in the second half of the year. So, if you appreciate our work to share the Gospel while protecting life, promoting the family, preserving religious liberty, and proclaiming the biblical concepts of justice and mercy, please consider a **financial gift** today.

For your convenience, tax-deductible donations can be made online or sent via postal mail to "NYFRF" at P.O. Box 131, Spencerport, NY 14559-0131.

For your support, I cannot say thank you enough.

In His Service,

Jason J. McGuire

President
