

I wanted to give a fun update about our outing to Niagara Falls last week. We had a huge number of students sign up to go with us on the trip. So many students signed up that we had to turn some of them down. In the end we took 70 students with us! We were able to rent a school bus and also had two 15 passenger vans given to us to use. The students had an amazing time and we had many wonderful spiritual conversations throughout the night. Below are some of the pictures we took. Thank you again for praying for us and for supporting us. We have been able to meet hundreds of new students on campus so far and have had several opportunities to share the gospel. God is at work.
