

# *Steven Huestis – Pray for Me!*

## **And For Brazil**

*I say unto you, Lift up your eyes  
and look on the fields; for they are white already to harvest. John 4:35*

December, 2021

Dear Faithful Friends,

Thank you for faithfully standing with me through prayer and giving this year. We have so much to be thankful for as we walk in Grace and know as the hymn writer put it “He ever loves and cares for His own.” I Must Tell Jesus by Elisha Hoffman.

On November 28th I had the joy to turning the Eldorado Church back over to Peter and Zirlene Doolittle and receiving a very warm and loving send off from that ministry. That night, one of the ladies we met in our street witnessing came to the service and we were able to pray with her that the Lord would give her understanding and resolve her doubts about salvation. We have since heard that several others from the street ministry have come to church and we trust decisions for Christ will be made. With the Doolittle’s return to the field all the churches in the area are excited about Camp Maranatha restarting next year.

I spent Thanksgiving with Leah and Family and they invited Gustavo, the young man I have been studying the Word with. He was so thankful because he said he had seen the celebration in media but had never been a part in person. Pray for Gustavo and his future ministry for the Lord.

In my last letter I asked you to pray for Pastor Bonfilio suffering from a brain tumor. He was operated on in October and is recuperating well. Do continue to pray for his health. In the weeks to come I will be returning to Sinop to help in the ministry there during his recovery. The Lord willing I will return to Nobres to spend Christmas and New Years with Leah’s family.

Please continue to pray for sister Alcione, the pastor’s wife here in Nobres. She will need to do more radiation treatments in the coming weeks. Pray for the Lord’s Grace as they go through this trial of faith.

Please pray also for Jonathan and Thayse as they prepare for Baby’s coming in April. The Lord willing I am planning a short furlough in May 2022.

Thank you for your faithfulness!

**MERRY CHRISTMAS AND A BLESSED 2022!**

In Christ,

*Steven G. Huestis*
