

Winter Conference 2022

Winter Conference 2022

We have started the semester off quick with our winter conference coming up in only two weeks. From February 11-13 we will be at Camp Best Western exploring the topic of "Onward" and taking the next steps in our faith. There will be a large focus on discipleship/mentoring and the importance of having people speak into our lives. Pastor Marvin Cross will be sharing, and we are excited to have him there! I will also be sharing a personal testimony about mentoring and how it has impacted me.

We are always in need of scholarships for students, so if you would like to help a student attend, please click [HERE](#). You can also check out our [website](#) for more details on the retreat.

First Week of the Semester

I was very nervous that the school wasn't going to open this spring, but it has and we are back! This is our first week, and we have led off with three days of tabling and a lunch/board game time. I've been able to have two long conversations with a couple girls that I had met with periodically last semester and continue my relationship development with them. One girl is excited to start looking into Christianity after her mom was hurt by the church years ago, and I have enjoyed our conversations over the past couple of months. Next week our Bible studies start up, and that along with our events and mentoring will keep us busy!

Prayer Requests

- Safety in traveling to the retreat
- No covid outbreaks at the retreat
- That students will connect with each other and build community both at the retreat and on campus
- Connection with new students and continued pouring into current students
