

STOTHERS' PRAISE & PRAYER

SPRING 2022

PRAYER

* Pray for follow-up with the players that attended the weekly Bible studies in West Palm Beach during Spring Training.

* Pray for Bill as he leads Houston Astros' Extended Spring Training Bible studies and interacts one-on-one with players and staff. Pray that hearts will be open to the Spirit's work.

* Pray for the first *Proyecto Joven Misionero* (Young Missionary Project) retreat in 2 years to be held in May. The teens and young adults have been begging to get back together again. Pray that their vision for outreach and missions will be rekindled.

* Pray for Priscilla as she continues to connect with moms through Zoom and WhatsApp. Pray for opportunities to serve locally as well.

PRAISE

The steadfast love of the Lord never ceases, His mercies never come to an end; they are new every morning; great is your faithfulness. Lamentations 3:22-23

* Praise for the opportunity to return to the Dominican Republic for the month of January. We met with many of our dear brothers and sisters, sharing encouraging stories of the Lord's great faithfulness during these last 2 years. A bonus, for us, was enjoying long walks on the beach and the daily spectacular sunsets.

* Praise for the good conversations Bill had with Miguel, the new DR Baseball Chapel coordinator. An especially memorable moment was a luncheon with the faithful team of Chaplains where Bill was honored for his many years of service with BB Chapel. He misses his weekly interactions with these good men.

* Praise that the Lord is giving us opportunities to interact with our neighbors. We prayed to make friendships in our community, not knowing that the answer would start by Bill leading us and of 5 of our neighbors through the process of reroofing our homes! We are seeking and finding other ways to volunteer as well.

* Praise for wonderful visits from friends and family! Living in Florida means we may get to see more of our "northern folks" during the long winter months!

* Praise for the healthy arrival of our newest granddaughter, Scarlett Lily, on February 3rd. Big sister, Isla Marie, is growing into her big-sister role and Greg and Kelly are adjusting to the joys of life with 2 babies! Priscilla enjoyed being their "postpartum doula" for the first weeks after Scarlett's birth.

*May His steadfast love be yours,
Bill & Priscilla*
