

Wills Update May 2022

We are excited to announce SLM's newest Branch office, SLM Spain! Branch Director, Jorge Vecchiarelli and his wife, Olga, are asking for prayer for: God to continue to guide the dialogues with pastors and churches from the different regions of Spain to begin discipleship with Source of Light; the trip to the south of Spain Almería and Melilla, scheduled for the first days of June. There are possibilities to start the ministry of SLM with the Baptist Churches; that God provides the funds for the budget demands to travel to southern Spain; God's direction in the preparations for the online conference for pastors and leaders focused on the discipleship of children; they thank God for his care and protection at every step of our family.

Over the past few months **Ken has been hauling scrap metal to the Recycle Center** to get money for SLM. This helped the Maintenance Department to get rid of materials that are not needed, such as the metal frame from an old house that was recently torn down. **SLM received about \$2,500 for the scrap metal.**

We will be leaving for vacation on May 22. We will be making a **stop in Kentucky** on our way to Ken's parents in **Ohio**. We plan to visit Char Mattocks, who is a retired SLM co-worker, was our neighbor, and member of our church, Bethany Baptist. Our daughter, Amy, plans to join us in Ohio. We will visit Carla's sister and brother-in-law in **West Virginia**, then head to **Pennsylvania** to **celebrate our grandson's high school graduation.** **We would appreciate your prayers as we travel, and for our family as we celebrate Ethan's graduation.**

We will not be sending a June letter since we will be traveling around the first of June. We want to **return home on June 4** so we will be here to work with the first of **three volunteer groups** that will be coming to SLM **during the month of June.**

Thank you so much for your prayers and financial support. **We appreciate each one of you!**
