## **J&K Wilson's Prayer Update**

### **February 6, 2023**

Dear Family and Friends,

Since our last update, many of you emailed us and let us know you were praying. Thank you very much for those prayers and words of encouragement!!! **Praise the Lord with us! The piece that the mechanics needed to repair the helicopter finally arrived by DHL this past Thursday.** As of today, Monday, February 6<sup>th</sup>, the helicopter is now repaired and we are planning to depart for the village tomorrow, Tuesday, February 7<sup>th</sup>.

Lord willing, we will now be in the village from Feb. 7 to Mar 30. **Please do keep us in your prayers as we resume our efforts to finish translating Romans and 2 Corinthians.**

During these past two weeks we were able to talk with Pastor Eutychus by phone. He said he was no longer in the hospital but still felt very weak. We told him that we had asked our friends at home to pray for him, and we know that that encouraged him greatly. **We are praying that God will heal him so that he can return to Nindewari and assist us in translating the rest of 2 Corinthians.**

Thank you so much for your partnership with us as we serve with Wycliffe Bible Translators here in Papua New Guinea.

Yours in Christ,

Jonathan & Kathy Wilson

*The LORD reigns;  
Let the earth rejoice;  
Let the multitude of isles be glad!*

*Psalm 97:1*
