

Wills Update February 2023

January 2023 marked the **30th anniversary for Carla's Associate Discipleship School, Hopeful Heart Ministries**. Through the years, thousands of Gospel tracts and Bible lessons have been distributed, lessons graded, and souls saved.

Carla's position title was recently changed from MDS Office Manager to MDS Assistant Director. While her duties in MDS remain the same, she now attends the Global Outreach (GO) meetings and some administrative meetings. In January, she attended the annual GO Retreat, which was held at SLM Headquarters. SLM Regional Directors and their Administrative Assistants shared updates regarding their vision, goals, strategy, and needs.

Ken has been having intense pain in his left hip and leg. The doctor said it was due to inflammation and gave him medication. **Please pray for the pain to go completely away soon.**

An inmate Michael, shared with Brenda Barnes in her correspondence with him concerning Advanced Studies, that he is grateful to have completed the studies through the Madison Discipleship School. He shared that he enjoyed and learned a lot from the lessons and that he will continue to apply what he has learned in his personal studies. He expressed that Source of Light had become like family and that it is great to know that there are people who pray for them (inmates) and care about them. He thanked Source of Light for all they do for the incarcerated. **He expressed that SLM messages and Bible courses "do alter lives for the better."**

We appreciate each one of you and your part in our ministry at SLM. May you **remember Jesus' love for the world as you celebrate Valentine's Day.**
