

## Wills Update May 2023

We praise the Lord that we were able to get a full schedule of meetings for our trip to West Virginia to visit supporters. **Please pray for safe travels, good health, and to not get exposed to anything that would keep us from being able to give updates as planned.** We also hope to see some individual supporters and family while we are in the area. Lord willing, we will be leaving on May 12 and returning home on May 22.

MDS/North America Director, **Brian Thompson**, finished his chemo infusions and rehab, but **we would appreciate your prayers as he deals with a cardiac issue.** He and his wife, Christine, have plans to visit their supporters at the end of May and most of the month of June, providing the doctor gives him clearance for the trip.

**Bethany Baptist Church, where we are members, welcomes our new pastor, Steve Craig and his wife, Sarah Nell to our fellowship.** We are thankful to have a pastor who has a burden for our church family and people in our community. **Please pray for our church to grow and for souls to be saved.**

We praise the Lord that funds have been provided to purchase another embosser that is needed for the Braille Department.

**Pray for the ministry of one of our newest Branches, SLM Costa Rica. Miguel and Viviana Lopez Diaz**, Branch Directors, recently traveled to Panama bearing gifts - a photocopier for printing lessons and ink! They were also able to distribute over 100 SLM courses on the *Gospel of John* while they were there. Miguel and Viviana recently shared: "We praise the Lord that someone loaned us a car for the ministry. Also, it is an answer to prayer that the **Director of Fuente de Luz (Source of Light)** from the United States, **Ron Barnes, and his wife visited us and were able to meet the ministry in Costa Rica.** Their support is a balm to us. We have also received all the original pdfs to facilitate the printing of courses. Praise God. "Delight thyself also in the Lord; and he shall give you the desires of thine heart." Psalm 37:4

We appreciate your prayers for our safety as we travel, for health, and for your financial support. God bless you all.
