Wills Update April 2023

And God hath both raised up the Lord, and will also raise up us by his own power (1 Corinthians 6:14)

Thank you for praying for Philip Fraiser, who serves in the Print Shop. He is making progress in his recovery from a massive heart attack and has been able to return to work part time. However, he is unable to run the King Press, which needs replacing. Please pray for wisdom in purchasing a newer printing press and for God to send someone to run the press. Also pray for Dan, who has additional responsibilities printing more materials on the digital press and helping more in shipping.

We praise the Lord that we have started receiving lessons from some inmates at state prisons in North Carolina. Simon sent us a note saying, "Thank you for not giving up on me. I am happy you finally got an address giving you all the information you need to forward mail to me. I am very happy to receive study material again. I will continue to do my best with each lesson. Again, thank you, and may our Lord continue to bless you and staff real good." We had been holding Simon's lessons since December 2021, but we recently got permission to send his lessons to the prison address.

SLM Mynamar, Philip and Mary Thang, shared a testimony recently: "Mr. Maung hated Christianity. He did not want to hear the Gospel. He believed in the theory of evolution. His friends were taking the SLM lessons and studying every week. They shared with him how God created the world and the universe. Whether he liked it or not, his friends shared the Gospel with him every day. Finally, Mr. Maung accepted Jesus as his personal Lord and Savior. As John 8:32 says, "...and the truth shall make you free." Let us learn from this event. Let us share the Word of God with them whether they like it or not and allow the Holy Spirit to work in their lives."

Thank you for your continued prayer and financial support. Have a **Happy Easter** as we remember the sacrifice that Jesus made so that we could have the hope of eternal life!

In His Service,
