Joy To The World

Dear Friend,

Eight years ago our family moved back to the United States after several years in East Asia. At the time we were not completely clear why He was leading us in this direction.

As world events have unfolded, it has become more clear why the Lord led us to this change. Totalitarian political leaders, persecution of Christians, and a

global pandemic would have forced our family to leave East Asia if we had not left in 2015. The Lord in His sovereignty knew that it was time to move our family to a new ministry assignment.

In the last eight years God has done such a kind work in our lives and ministry. He has blessed our family and given us numerous opportunities to share the gospel with students from around the world. This fall our ministry on campus has continued to thrive. Record numbers of students have come to our weekly meetings, outreaches, and retreats. The Lord has opened doors for us to share the gospel very deeply with several students who have never heard it before.

An example of God's work is evident in a student from East Asia named, "Steven." "Steven" got involved in our ministry in the fall of 2018 and started attending an evangelistic bible study. Over the next two years we shared the gospel with him several times and he attended church with our family. In December of 2021 he placed his faith in Christ as his savior and has continued to grow. This summer he joined 60 other Christian International students on a weeklong mission trip to Chicago. He learned to share his faith and has grown to love the Great Commission. We rejoice in how God has been working in "Steven's" life! Our passion is to see students become life-long followers of Jesus Christ. We know that this would be impossible without your prayer, support, and encouragement!

As we move into 2024 we need to take some time to attend to our financial support. We estimate that we need raise \$8,500 in funding to help us continue our ministry to reach international students at U.B. May I ask you to specifically pray about giving a special gift of \$300, \$200, or \$100 toward this need? Thank you for considering this need.

Whatever you decide, our appreciation and gratitude for you is unwavering. It is an honor to serve the Lord with you. God is working in the lives of young people from around the world!

Rejoicing with you,

Jason and Rose
