

Wills Update February 2024

Thank you for your prayers for MDS/North America Director, Brian Thompson. He is doing much better since his illness in December and his elbow is healing so he doesn't have to wear a brace on his arm now.

Ken has been busy changing oil in mission vehicles. He also changed oil and sharpened blades on the mowers so they will be prepared to mow grass as we approach spring weather soon.

Carla has a student that she hadn't heard from for quite some time, who is in a drug rehabilitation center and wants to start doing Bible lessons again. **Please pray for Tamera to completely surrender her life to the Lord and be delivered from her drug addiction.**

Pastor M, SLM Pakistan shared his praises and prayer requests. He praises the Lord for: Christmas rallies where we reached 30 villages and met with 21 churches; reaching out to 3,200 people and for **471 souls who were saved**; a successful women's seminar; the Lord's protection over us. **He asks prayer for: the comfort and peace of God in the hearts of my family members in the loss of my dad; God to provide Bibles for those who were recently converted; funds needed for motorcycles for our Pastors as we sent them for outreach and to plant churches; funds for printing materials for children and adults.**

We are thankful for all of the volunteers that come to SLM. Many come from long distances, but we also appreciate our local church groups and individuals that faithfully serve and have stepped in when extra help was needed.

And walk in love, as Christ also hath loved us, and hath given himself for us an offering and a sacrifice to God for a sweetsmelling savour (Ephesians 5:2). This verse reminds us of **Christ's love for us**. We hope you have a **Happy Valentine's Day** as you remember His love for you!
