

Wills Update May 2024

Thank you for praying for Ken regarding pain in his back, hips, and legs. Tests showed that he has arthritis and he is being referred to a specialist. However, his appointment has been postponed because he is recovering from shingles. The pain in his back, hips, and legs is not as intense as it was, and the shingles are improving. We are thankful that he only missed one day of work, but we would appreciate your prayers for continued healing.

Our granddaughter, Jovie, graduates from High School on May 31, but due to the large number of students in her class, there are limited tickets, so we will not be able to attend. However, we are planning to attend her High School Nursing Program Graduation on May 21 in Camp Hill, Pennsylvania. We also plan to give an update at a supporting church in Virginia, and visit a couple of individual supporters along the way before heading back to Madison on Memorial Day. Please pray for good health and safe travels for our trip May 18-May 27.

Please pray for North America/MDS Director, Brian Thompson as he heals from having dental surgery.

MDS student, Ronnie, who is a prisoner wrote, "I first want to say how much I learned from these lessons the last couple of years, can't be exaggerated or over stated. And I have enjoyed them tremendously. It's wonderful getting to know my Lord and Savior Jesus Christ. God bless ya'll for the incredible work ya'll do! Truly you are a blessing and gift from God." He also said he was sad that due to finances he wouldn't be able to continue his studies, so we are sending him a pre-paid envelope for him to return his lessons for grading.

SLM Zambia is soon to be SLM's newest Branch Office. Director, Kelvin Chisiza recently shared the following: "Please pray for us as we embark on the Source of Light journey in Zambia. Our goal this year is to reach all ten provinces in Zambia with Christ centered Source of Light discipleship materials. This is rather ambitious, but we already have contacts in place. We are just waiting for the setting up of the printing press. With your prayers we can achieve this for the kingdom of God."

As we celebrate Memorial Day and remember those who have sacrificed their lives for our freedom, let us also remember Jesus Christ who sacrificed His life so that we may be free from sin.
